PRESIDENT'S MESSAGE

Happy (almost) Summer!

By the time we meet again, this year's Wine Country Quilt Show will be in our memory banks, so looking forward to seeing everyone's beautiful and creative work, not to mention the Boutique and vendors, and appreciating how we in MQSC pull it all together to share our love of quilting with the wider community.

Perhaps something you see or buy at the show will spark some projects for your summer sewing time. Remember that library books can be checked out for TWO months at the June business meeting. We have only one program meeting in July and August is the next business meeting, so even more sources of inspiration!

I am so grateful to our Nominating Committee - Karen Derrick, Deana Abramowitz, Alys Hay and Robin Dieter - who swung into action and have a full slate of officers to vote on at our June 5th meeting. So a huge THANK YOU to them and all who volunteered to take on a job helping the guild.

Ann Mattern and I are eagerly anticipating reading DJ Berger's talk on Creativity at the program meeting on June 19. Feel free to bring your stories and memories to share as well as snacks as we will have a little extra time to visit that night. DJ, being DJ, had written this talk and picked out the quilts to go with it shortly after Cyndi asked her to be the speaker.

See you at the show and the meetings!

Karen Mansergh, president

Moonlight Quilters of Sonoma County
Minutes of the Board Meeting
May 6, 2019

Attendees: Members Karen Mansergh, Karen Derrick, Norma Jean Edwards, Ellen Fox, Marilyn Lira, Kerry Mertle, Sue Peretti-Keith, Donna Poe, Gina Stateler-Calhoun, Kathy Vedder, Sarah Whiton and Miriam Marlin.

Board President Karen Mansergh called the meeting to order at 6:33 p.m.

Nominations/Election/Transition: We need coordinator shadows for two important positions – those of Community Relations and Community Quilts, starting next spring. We also need someone to start planning for hosting MQSC's turn at the Tri-Guild luncheon.

The election will be held at the June business meeting, June 5.

In order to make an effective and smooth transfer, each retiring office holder is responsible for working with her successor to ensure a full transfer of knowledge as well as an understanding of all tasks associated with the position. Summer is a good time to do this. Additionally, the board will host at least one event for this specific purpose. Gina has volunteered work space at a conference room in Dry Creek Valley on a Saturday in August. A separate, more social event may be planned at VSC if there is interest. Office holders are encouraged to review their binders now and prepare them for passing on to the next person.

Treasurer: Sarah would like authorization to purchase a money counter before the quilt show, as well as more secure change boxes for use at the show. We will also investigate the acquisition of a second "square" for use in credit card sales.

Sarah has also requested a separate email specific to the treasurer that is more secure. She will work with Karen Derrick on this.

There will be a budget meeting in July and an audit meeting in August.

Additional requests: Currently, one store room is on a monthly automatic payment schedule, while the other is paid once each year, giving us a month free as a discount. Karen Mansergh will work with the storage unit management and Sarah to put both store rooms on the annual payment plan.

Store rooms: The management of the storage unit has changed locking mechanisms, making them even more difficult to operate. Marilyn Lira will work with the locks so they are not so temperamental.

Library Storage: The Vets Memorial auditorium has storage available under the stage in our meeting room, which would be extremely useful to the library committee, minimizing the need for someone to haul books in and out of their cars every month. Karen M and the Library Committee will work on acquiring safe space and appropriate carts to facilitate this change.

Quilt Show: Newspaper ads are running, and radio ads are in process! We have a surplus of quilts to hang, so persons with multiple entries are being contacted to reduce the number of their entries.

Website: It is challenging to submit photos to the MQSC photo gallery, and Karen D is working on fixing that!

Newsletter: In order to accommodate those who don't use email, Sue Peretti-Keith prints out 20 hard copies each month. She will work with Membership to confirm that the list of hard-copy recipients is current in order to minimize printing and mailing costs.

Clarification needed: It is not clear to members what the Activity Chair does, and what distinguishes it from the Program Chair. This is especially challenging for new members navigating the website. Karen Derrick will try for another way of presenting the pages for these aspects of MQSC organization and report back to us.

The meeting was adjourned at 8:24 p.m.

Minutes respectfully submitted by Miriam Marlin,

Basic Skills

The next Basic Skills class will be **“Ideas and Tips for Making Borders -- No Sewing,”** taught by Trina Jahnsen and Joanne Thomas. The class will be held on Saturday, August 24, 2019, 10:00 am to 3:30 pm at Village Sewing Center’s new location. We will have a sign up sheet available at both meetings in June, the program meeting in July, and the business meeting in August. The supplies list will be online at the guild website, under “Basic Skills.” Reminder: The class will be limited to 16 participants, so sign up before all the spaces are filled.

MEMBERSHIP

It has been a quiet month for the membership committee. We are holding at 154 members as of the May business meeting.

Each month the newsletter editor makes paper copies of the current newsletter and some are mailed to those who don’t have access to a computer. If your status has changed and you no longer need a paper copy, please let the membership chairperson or the newsletter editor know. Copying and postal expenses continue to rise, as well as the environmental impact.

As previously mentioned in last month’s newsletter, if you are interested in carpooling to meetings or can offer a ride to someone living near you, check in with the membership committee. We’ll keep a list and try and connect you with someone to ride share. It’s a great way to get to know your neighbor and your fellow quilter.

Keep on quilting!

Deana and Kathy

MAY 2019 CAT AND DOG CUDDLES

Thank you to those who donated cat and dog cuddles at the May meeting: Denise Ragozzino, Patti Basignani, Pat Meiswinkel, Cecile Clabaugh, Karen Derrick, Nora Raggio, Jr., and Marilyn Lira. We collected a total of 7 cuddles. Thank you! It was nice to see some new names on the list of donors this month. We’re gearing up for the table at the quilt show, where we will have some of the cuddles on display. Forgotten Felines of Sonoma County should be here this year again to let people know of the good work they do in the community.

We will have the fabric and batting again at the June business meeting.

Thank you for your continued support of this program.

Friendship Block

Hi Friends,
Margaret and I are asking you all to seriously consider presenting a Friendship Block for us all to make for you! Come see us for the simple directions you will need. The blocks we are all working on now are coming to an end. Friendly reminder, if you still have a friendship block out how about trying to get it done by our next business meeting on June 5? Then we can hand back all the beautiful blocks and get started on some new blocks just for you! Give it some thought. See you in June after our successful Quilt Show.

Block of the Month

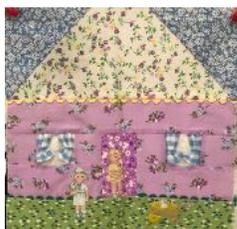

May's drawing for Night and Day

We had a reasonable number of blocks turned in this month for the Red/White/Blue Night and Day block. The winner was Deana Abramowitz!....Deana is one lucky lady as I believe she has won the blocks several times this year.

Lets give her a run for the next set of "Won't You Be My Neighbor" house blocks designed and decorated by Heidi Anderson! The pattern is on the website and it's a charming and fun block to create....Let's build a new Neighborhood just like all the houses popping up around Santa Rosa!!

Directions are on the Website under **Activities**.

Quilt Show Chair

Thank you all for helping with our 2019 Quilt Show. It can't be done without you. All your volunteer time, expertise, dedication to the event is appreciated. I want to thank the Quilt Show Committee for your hard work and dedication. It has made my job easy in keeping the show running smoothly. I say Hats Off to our new Show Chair Trina Jahnsen, she will be awesome.

Please email or write a note to me if you have any comments, concerns, ideas, or you want to volunteer on the committee in some capacity. We will be having a follow up committee meeting later in June, and we always look at these. Sometimes ideas aren't feasible and sometimes change the entire show. I am sure Trina would like to start her Quilt Show Chair position with a full committee. The main positions are listed in the Show Program, and be sure to use the coupons soon.

Thanks all again,
Your retiring Show Chair-Gina Stateler-Calhoun

Programs Chair

We just finished a fun class with Linda Wagner, she offered several tips that will save us some time.

In June, we will be doing a Tribute to DJ Berger. I had asked her last year to be our speaker because I had never seen many of her quilts. I had worked with her for many years at Sonoma Developmental Center but I wasn't a quilter then and we were very engaged in our jobs. Before she passed away she put together her lecture and pulled the quilts that she planned to share. So, in June two of her very close friends are going to give her talk and share her quilts. I'm sure we will all be blessed and we will be able to celebrate DJ for who she was in our community. I hope that everyone will attend.

Our workshop in June is on machine quilting taught by our very own Karen Bolan. I have done her workshop before and she is a great teacher.
