## President's Message

THANK YOU ALL for the incredible, beautiful, wonderful quilt you gifted me at the installation potluck! I so enjoy all the colors, the layout and the quilting, not to mention the great bag! I'm thinking that I could carry big cutting mats and rulers in it. You've made me feel so appreciated and I am so grateful to you all!

Continuing our new year at MQSC, the October 3rd business meeting will reveal the 2019 Opportunity Quilt and the new Medallion starts. The library will be open for business, there are Friendship Blocks and Block of the Month to deliver and pick up, a Star Quilter will share inspiration as will Show and Tell, as well as Fat Quarter fabrics, snacks and Sunshine magazines and birthday wishes too! It's also time to pay your dues for this year, so stop by the membership table on your way in to join the fun. Our program meeting on Oct. 17th is a non-sew sew night - we'll be cutting out recovery bags to have them ready to go when needed.

I'm hoping to see many of you at all the activities - remember this is your guild and if you have ideas or comments, please share them! It keeps things lively to have input! Have fun with your fall projects and see you soon and thanks again for my beautiful quilt!

## STAR QUILTER

I've been interested in quilts and quilting since childhood. Though my mother taught me to sew, I didn't grow up in a quilting household. I saw my first examples of patchwork at a friend's house when I was in the third grade. Her quilts were a treasure to me. I loved to trace around each patch and study each fabric—little did I know then! I visited my first quilt show in Eureka Springs, Arkansas when I was 19, quite accidentally. Smitten, I bought *The Standard Book of Quilt Making and Collecting* by Marguerite Ickis on the spot, knowing that I'd be a quilter when I got old (you know, like the ladies at the show).

I made my first quilt patchwork comforter using a Shoo Fly pattern from a magazine, all done up in blue and brown calico and stripes with a muslin background. It was 1979, so I guess I couldn't wait to get old to start quilting! I began, though, to hanker after another pattern in the magazine, a one-patch Square-in-Square. I bought the fabric for the background and accent right away, but I took the time to amass a collection of scraps before I ever started piecing. In total, there were 1,521 2-1/2" squares, traced from a cardboard square (not square) in pencil and cut apart on the lines. Dedication.

From some sketchy beginnings, I eventually began to quilt in earnest. I took loads of classes, learned as much as I could, and developed my skills as I went along. I've made plenty of ugly quilts, I've made some beauties. Each one was an education and an opportunity to hone my skills. I've given most of my quilts away, so it's pretty easy to bring an edited collection to share with you all. Thanks for inviting me to be your Star Quilter this month.

## CAT & DOG CUDDLES

Janske delivered a stack of cuddles to the Forgotten Felines of Sonoma County shelter for the kitties there. The shelter workers reported that they were running low on cuddles because many of their kitties had been adopted. What good news!

We will be collecting cuddles again at the business meeting in October and will have a fresh stack of fabrics cut for you to use. We will be thanking our donors of 5 or more cuddles at the October business meeting as well.

Thank you for your continued support to help the homeless cats and dogs.

The class in September is the only workshop being held for the fall of 2018.

In October, we are doing a Sewical but we will not be sewing we will all be pre-cutting the Survivor bags that can then be taken home and sewn together. Just bring your cutting mats, rulers, and rotary cutters and we can create guide a few kits for this project.

In November, we will not be meeting the night before Thanksgiving.

Our next Workshop is in February on Saturday the 23rd, taught by Lujean Seagal, who will be teaching a workshop on borders called "Beyond Boring Borders".

## BASIC SKILLS CLASS

### “Basic Building Blocks.” – November Class

Attending Basic Skills classes for free is one of the perks of being a member of MQSC. We will have a “ballot” available at the October program meeting (Wednesday, October 3) for the members to give us input on the types of classes you would like to see this membership year.

The first Basic Skills class of the new year will be “Basic Building Blocks.” The class will include multiple ways to make half square triangles, quarter square triangles, and flying geese. It will be held on Saturday, November 3, 2018, 10:00 am to 3:30 pm at Village Sewing Center. We will have a sign up sheet available at the September program meeting along with both meetings in October. Come by and sign up!

Basic Skills Coordinators*

## FIRE SUPPORT COMMITTEE

### Fire Support Committee Update

We still need a new Storage Coordinator! While this position really isn't a lot of work at this point, we really do need someone to take on the role. If this is something you could help with, please contact Alys Hay at [ahayesq@aol.com](mailto:ahayesq@aol.com)

We have received a number of quilts for the fire survivors at The Orchard. Thank you to Judith Brooks, Kathy Seely, the estate of Herdis Gudmund, and Sharon McCarty. Remember that we also would like to receive donations of other handmade household items like potholders, dish towels, and napkins. If you have any items to donate, please give them Alys Hay at any of our upcoming meetings. Or feel free to contact me to arrange a pick up.

Thank you for all your support.

## FRIENDSHIP BLOCKS

Hi Friends!

We are going to make a clean sweep of all the Friendship Blocks on our wall. Beginning in October we are hoping there will be some new exciting blocks for us all to make. Will you be one the members asking for some blocks? We sure hope so.

Thank you for all the many blocks you've turned in this past year. We are truly grateful.

## MQSC BOARD MEETING MINUTES—September 17, 2018

**Attendees:** Deana Abramowitz, Carole Behlke, Shirley Black, Karen Bolan, Helaine Campbell, Cindy Chadwick, Saraj Cory, Cyndi Cunningham, Karen Derrick, Robin Dieter, Norma Jean Edwards, Kay Hawkins, Alys Hay, Pat Kearns, Marilyn Lira, Karen Mansergh, Katina Repp, Gina Stateler-Calhoun, Joanne Thomas, Kathy Vedder, Marci VonFeldt, Sarah Whiton.

President Karen Mansergh called the meeting to order at 6:42 pm and thanked everyone for her beautiful quilt.

### **Calendar:**

Program Chair and Vice President will contact Vets Building for contract.

**Programs:** October 17 program meeting will be non-sewing, members will cut out recovery bags. We have only the business meeting in November on the 7<sup>th</sup>. December 5 is the Holiday Pot Luck. January's program is the Round Robin. February's workshop is scheduled for the 23<sup>rd</sup> which is the weekend of the guild retreat. March workshop is Linda Wagner, scheduled for same date as Tri Guild Luncheon. Cyndi will try to reschedule her for another date if possible. April is the Fabric Sale and Basic Skills class. May will be a sew night, in preparation for the show. June program is DJ Berger's trunk show. July is Becky McDaniels, August there is no program meeting. We do not yet have a Program Chair for 2019-2020, so Cyndi will schedule for the next few programs in order to insure speakers.

**Board Meetings:** November 5, January 7, March 4, May 6, July 1.

**Communications:** We still need a newsletter editor. Some members are not receiving eblasts. They need to check their spam folders, and make sure their email addresses are correct. Joanne Thomas should be receiving all new member email addresses. Roster will be passed around at next business meeting for members to correct if necessary. Name tags should be in each new member binder.

**Fire Support:** We still need someone for the position of Fire Support Storage Coordinator. Everything is set up for an easy take-over. We could use about 45 more quilts. We have been giving pillow cases to fire survivors. Marilyn Lira read a letter from a survivor of

the Carr fire who had received a recovery bag from us.

**Activities:** Carol Behlke will be County Fair liaison. Village Sewing Store will be moving in October to a new location on Lewis Road. Marilyn Lira has enough supplies to fill 120 recovery bags. The bags will be cut out at the October 17 meeting.

**Budget:** Guest fee at program meetings with speakers will now be \$5.00. For storage, we will now have a small storage space for all quilt show-related things, and a larger storage space for everything else. It would be nice to have a map of where things are located. Budgeting for quilting of survivor quilts should be taken out of 'savings.'

**Fundraising:** 2020 Opportunity Quilt will be coordinated and designed by Sara Whiton and Cynthia Besonen, a snail's trails with stars design. Karen Mansergh, Pat Kearns and Jan Nilsen met with the winner of the 2018 Opportunity Quilt. In December, Karen Mansergh will be taking the quilt donated by a Chico guild quilter for raffling. The opportunity quilt made \$4,349. We have some donated table runners and patterns that can be sold at a silent auction at the Spring fabric sale.

**Publicity:** Need for coordinators. One head of crew is needed. Susan Peretti-Keith has volunteered to do data entry. Marie Savano has also volunteered. Gina S-C and Saraj Cory will do the postcards. We have the raffle tickets already.

**Quilt Show:** First meeting for the 2019 Quilt Show is Wednesday, September 26 at Siraj's home at 6:30. Research needs to be done by the quilt show committee to decide on whether to hold the quilt show on alternating years. The beautiful 2018/2019 Opportunity quilt, "Enchanted Garden", was revealed.

Meeting was adjourned at 8:15 pm.

Respectfully submitted by

Deana Abramowitz,  
Secretary
