MOONLIGHT QUILTERS OF SONOMA COUNTY ESTABLISHED 1980

## President's Message

While 2021 has staggered off stage, at long last, we all wonder how 2021 will unfold. I don't know about you but I'm tired of this endless "Groundhog Day" (see movie of the same name). I feel like I need a break and some inspiration. To begin to satisfy those desires, my husband and I just returned from an outing to Doran Beach, complete with clam chowder and crab sandwiches. We enjoyed a nice long stroll, watched children at play, were lulled by the soothing sound of the waves crashing, and rejoiced at the brilliant green that is adorning our hills. It was just what my spirit needed.

Thanks to Kay Hawkins for coordinating our virtual Round Robin in January. Now it's time to put some of those skills to work. I've found 3 or 4 items for the VP's UFO challenge. It was good to review those boxes and bins and drawers of TBF (to be finished) items. I've also made a commitment to myself to complete an adult themed community quilt of an appropriate size, about 50 x 60 per Marilyn Lira, and hope you will do so as well.

May each of you find inspiration in your work and play as we move into this new year. We quilters are so lucky to have our art to sustain us. Set yourself a challenge or two, try a new skill, finish some UFO's, participate in Block of the Month, make a Friendship block, listen to a podcast, subscribe to a blog, read a book, take a class. I look forward to hearing about your adventures.

## Programs

The February 17th program meeting will feature a talk from Patricia Belyea who will take us through The Alluring World of Japanese Yukata Quilts. At age 50, Patricia took her first trip to Japan. At 53, she made her first quilt. Five years later Patricia left the creative agency she led for 25 years to become a full-time quilter. Once she started quilting, Patricia worked on projects during every waking hour (and hours she should have been sleeping). "I was a fish who didn't know I was a fish until someone showed me the water," she explains. Patricia then discovered vintage Japanese yukata cotton and she had found her calling. These hand-dyed fabrics with graphic patterns and luscious colors seemed ideal for making stunning quilts. Patricia's first quilt book combines an improv design approach with both vintage and contemporary Japanese fabrics. Patricia writes about quilting, Japan, and the interface of both at [www.okanarts.com](http://www.okanarts.com).

Cyndi McChesney will be the featured speaker at our March 17th program meeting, where she will speak on the use of Panels in her talk "Panel Palooza". Cyndi will also be leading a workshop on using panels, to be held in two parts on March 20<sup>th</sup> and 27<sup>th</sup>. The workshops will be held via Zoom, and information for signing up will go out via eBlast in early February. The cost for the workshop is \$40.

April 24<sup>th</sup> will see the return of Moonlight Quilter's Basic Skill Class, currently expected to be via Zoom, with Denise Ragozzino leading participants in creating a French Braid quilt. Signups for this class is also expected to go out via eBlast in early February

Rounding out the 2020/2021 Program Meetings are Mel Beach in June, who will speak on Challenging Yourself and will teach Modern Free Motion fillers & Fun, and the Material Girlfriends in July, who will speak on "How a Quilter is Pieced". The Material Girlfriends will also lead a New York Beauty workshop. We are still looking for teachers and topics for skill builders for the rest of the year, and if anyone has recommendations or requests please send an email to [MQSCPrograms@gmail.com](mailto:MQSCPrograms@gmail.com).

## *Moonlight Quilter of the Month – Debbie Ward*

Hello Moonlight Quilters, I am Debbie Ward, and I have been quilting for about 3 years.

I have been a crafter and sewer for a long time. I learned to sew when I was in 8th grade (middle school) in San Jose. I would make clothes for my sister and myself. As I got older and had a daughter, I would make costumes for her.

When Kate opened Bolt Fabric + Home in Cloverdale, I was so excited! At the time I was unemployed and asked for a job when she opened, but was turned down. It was okay, as she gave me a part time job few years later. Kate and I have become very good friends. Bolt started introducing classes and I signed up for all that I could. I took all the beginning classes that were taught by Alys Hay at Bolt and we also became good friends. I started to feel more comfortable sewing again, so I started take the quilting classes Bolt was offering. I took two classes offered by Mary Flynn. The first was a rail fence. I don't remember the name of the other, but I have a picture of it in my presentation. I took classes with Barbara Deininger and Judi B from Purls of Joy.

At Bolt, a group of ladies would meet on Tuesday and I asked if I could join them. They said "yes." I found that they had a lot of knowledge and that I could learn a lot from them. They all belonged to quilting groups like Moonlight Quilters and the morning Santa Rosa Quilt Guild, so I thought I should sign up for one. I signed up for Moonlight Quilters and here I am.

I have been a member for about 1 1/2 years or so, and I have really enjoyed being a member. I have been able to take more quilting class and have met a whole new group of people like you all.

- Debbie Ward

## *2020-2022 Opportunity Quilt*

If you would like to enter the drawing to win our gorgeous Opportunity Quilt, "Finding Peace in the Pieces", please call Michelle C, our treasurer, with your credit card information.

As we all continue to keep to our own households and avoid gatherings and non-essential travel, the Opportunity Quilt Committee does not plan to attend First Friday in February.

The quilt will be on display and tickets available at Bolt Fabric+Home in Cloverdale starting in March. Until then, the quilt will continue to be on display and tickets available at Village Sewing on Lewis Rd in Santa Rosa.

We look forward to seeing everyone in person one day soon!

## Basic Skills

We are excited to share with you that we have some new classes scheduled for Basic Skills this year! All basic skill classes are taught by our own guild members who have been gracious enough to share their skills with us for a day. Currently our classes are planned to be held on Zoom, but if it becomes possible, we will do our best to make them in person.

Our first class is scheduled for April 24th and will be taught by Denise Ragozzino. Hopefully you were able to watch her demonstration at our Round Robin in January. She will be teaching us how to make a French Braid table runner.

Our second class will be held on May 15th and be taught by Nancy Samples. She has two techniques to share with us. One is how to make a Crumb block quilt out of your scrap basket! Scraps as small as an inch may even be used in this technique! Her other technique will be on how to do an applique without using glue, steam a seam or butcher paper!

Our third class will be held on August 21st and will be taught by Dena Harding. She will be showing us all the different ways we can use a 60-degree triangle to make a block. As it gets closer to each class, we will share with you more of the details of each class plus how to sign up, the supplies you will need, and how you will connect to the right Zoom!

## Friendship Blocks

If you're looking for something to do why not go to MQSC home page. Look under "Things to Do", scroll down to "Friendship Blocks". When you get to that page, you'll see directions for presenting a block yourself, or how you can make a block for someone.

Click on the line "Friendship Blocks Ready to be Made". That will take you to the available block patterns to be made. Why not choose one to make during this Valentine month for a friend? When the block is finished, and placed in a baggie, you can turn it in to BOLT in Cloverdale or Village Sewing in Santa Rosa.

Be sure your name is on the block so that you can receive credit.

Hopefully we'll see lots of new blocks this month!

Happy Valentine's Day!

January's "Hello 2021" Block

## Cat and Dog Cuddles

Due to the lockdown, no cuddles were collected this month. We hope you will continue to work on them and we will have a bumper crop of them for February's First Friday (assuming the lockdown has been lifted by then).

Cuddles will continue to be collected through the First Friday drop offs at Village Sewing, Bolt, and by special arrangement.

Cat cuddles should be 17" x 25" to fit in the Forgotten Feline cages. Dog cuddles should be dog sized – anything from small to large dogs.

Thank you for your ongoing support of this project.

## Block of the Month

Congratulations to Deana Abramowitz on winning the January Block of the Month "Hello 2021!" We wait with bated breath to see your finished product!!

The February BOM is a square we did at the last Walker Creek retreat. It was a big hit and several people asked if it could be a Block of the Month. So, here is Shoo Fly with a Twist!!! You can also find it in a recent Eblast and in PDF form on the guild website. Let's see if we can reach a goal of 20 squares!!!!

Board Meeting Minutes

The board meeting was called to order at 6:35 p.m. Board members in attendance were: President Linda Lampson, Immediate Past President Alys Hay, Vice-President Pam Brown, Treasurer Michelle Crosbie and Interim Secretary Miriam Marlin. In addition, the following chairs and visitors were present: Patricia Bauer, Trina Jahnsen, Teresa Lewis, Karen Derrick, Kathy Vedder, Marilyn Lira, Jeanne Nelson, Gina Stateler-Calhoun, Kay Hawkins and Norma Jean Edwards. A quorum was present.

President Linda Lampson opened the meeting with a reminder that the board still needs a secretary – Miriam would like to be part of the membership committee and would love to help coach a volunteer to take on the secretary role. The job is made easy with the detailed agenda that the President provides.

Upon a motion from Karen Derrick, seconded by Pam Brown, minutes of the previous board meeting were approved unanimously as published in the most recent Patchwords.

**Treasurer's Report:** Michelle Crosbie reported that our checking account balance now stands at \$34,823, with revenue from the Opportunity Quilt at \$1,400, December holiday auction at \$1,631 and dues of \$670. We have received refunds from the Veterans' Memorial Building of all prepaid rent.

An overlooked aspect of items sold by auction is that sales tax is due. We will pay sales tax on the sales received but need to incorporate sales tax on future auction sales to avoid absorbing the tax liability.

**Legal matter:** As requested at the special board meeting held in December, President Lampson worked with our attorneys to get an estimate for concluding the work in a satisfactory way. As of this time, we have not had a response from the other party's attorney. The amount needed is roughly \$2,500 and will need membership approval. Marilyn Lira moved that we present a request to the membership at our next business meeting to add \$2,500 to this year's budget in order to take care of this matter. The motion was seconded by Michelle Crosbie and unanimously approved.

**Website development:** Karen Derrick proposed that we upgrade our website to a Business Plan in order to provide more features – class registration, ability to invoice, online banking transactions, etc. Because we prepaid our website fees by several months, the change would cost us only \$26 more through August, 2021. Teresa Lewis moved that we approve this change; Gina Stateler-Calhoun seconded the motion. The motion passed unanimously.

**Membership:** Kathy Vedder reported that current membership stands at 131 members in good standing, with 20 either still planning to renew or not responding. Considering the strange and unsettled year we are experiencing, Kathy recommended that we consider these twenty as undecided and enforce dues renewal if any of them should sign up for a members only activity such as a Basic Skills class. Those present agreed with this tactic.

**Community Quilts:** Marilyn Lira reported that we are almost out of adult-themed or sized quilts. We need more in the 50 x 60 lap quilt format that will be suitable for non-children. There are plenty of juvenile quilts in storage, plus tops and kits with binding and batting.

**Text messaging:** Karen Derrick reported that thirteen people have signed up for text reminders of meetings.

Board Meeting Minutes (continued from the previous page)

**Quilt Show:** President Lampson requested that we update the website to reflect a planned June 2022 show date. No 2021 show is planned.

**Opportunity Quilt:** The quilt is currently at Village Sewing Center. When current COVID restrictions are relaxed, the quilt will go up to Bolt, hopefully in February.

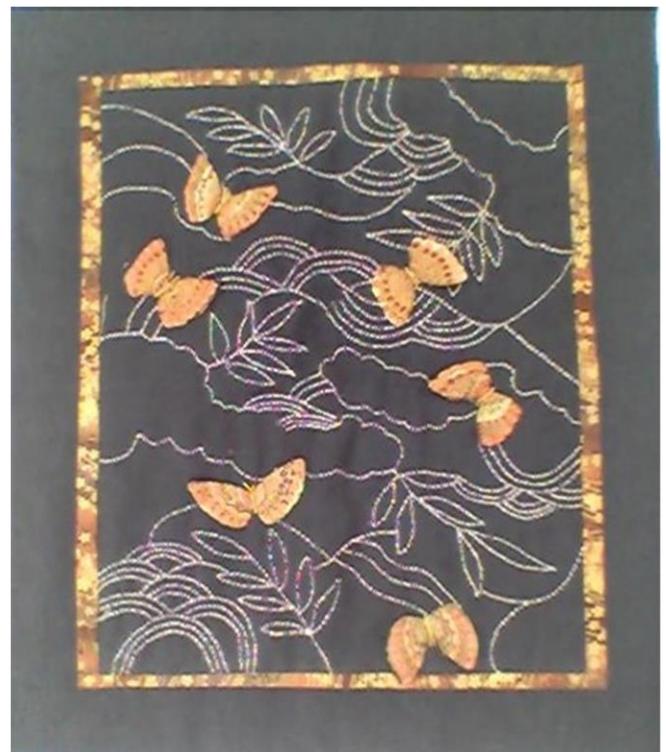

**Other:** Kay Hawkins reviewed the planning for Birds of a Feather Round Robin on January 20. We have at least four presentations plus opportunities for member participation in short “chirps.” Prizes for the best bird related décor will be offered.

The meeting was adjourned at 7:53 p.m. The next board meeting will be on Monday, March 1, 2021.

Minutes of the Business Meeting by Zoom

President Linda Lampson called the meeting to order at 7:05 p.m., and declared a quorum with over one third of the membership signed in.

Patricia Bauer moved that the November business meeting minutes as published in the December newsletter be approved. Cindy Chadwick seconded the motion, which was approved unanimously.

**Vice President's Report:** Pam Brown reviewed the VP UFO Challenge – the rules are that members wishing to participate must commit by February 1 to paying \$10 for each UFO they promise but fail to finish by April 1. Before and after photos will be needed. A new challenge will be presented at the April business meeting.

**Treasurer's Report:** Michelle Crosbie reported that the December 31, 2020 checking account balance was \$34,923.62. We are on track for this point in the budget year, with income fiscal year-to-date at \$5,438.09. Of this income, the Opportunity Quilt has brought in \$1,400 and proceeds from the Holiday Auction were \$1,631.00.

At the January 4 Board meeting, the Board approved the expenditure of an additional \$26 to upgrade our website to a more versatile plan offering more features that we can put to use, such as class registration and invoicing. Additionally, the Board voted to recommend to the general membership the expenditure of up to an additional \$2,500 to compensate the legal firm we have engaged. Saraj Cory moved to increase the budget for this purpose and Katina Repp seconded the motion, which was passed.

**Membership Report** – Kathy Vedder reported that we now have 131 members in good standing; the remaining 20 will be kept in suspense due to the unusual circumstances of this year. If any of them should sign up for an activity restricted to paid members they will be required to renew first.

**Committee Reports:**

**Medallions** – Medallions are finishing up fast! A few signups are available for round five – check the website!

**Programs** – Teresa Lewis will be taking over more of the programming work, with much appreciation for the prior committee chairs.

**Round Robin** – Kay Hawkins will be looking for the best bird-themed backdrops at our first Zoom Round Robin – bird quilts, bird-themed décor and cocktails are encouraged! We will have presentations by at least four members, plus an opportunity for members to share tips – all in the theme of Birds of a Feather.

**Moonlight Quilter of the Month** – Judy Pudoff introduced Teresa Lewis. Teresa is fearless and has tried all types of quilts, taking classes and actually finishing her projects – all beautifully!

**Monthly Activities:**

**Basic Skills** - Patti Bassignani and Karen Lavender have arranged several programs, thanks to talented members who volunteered their time - be watching for sign ups!

**Block of the Month** - "Hello, 2021! Throw a Snowball at 2020!" blocks were won by Deana Abramowitz. For the next block, Denise Ragozzino has chosen a block that many made at the last retreat - the January Block is a Shoofly variation as posted on the MQSC website - be sure to make at least one!

**Cat and Dog Cuddles** - Please keep making these - the cats and dogs love them and they are a great way to use up orphan blocks and try out your piecing and quilting ideas!

**Community Relations** - President Lampson read Jim and Ann-Marie Wyllie's heartfelt thank you note to the membership for their quilt. She also shared a letter from Community Action Partnership thanking us for the donated quilts. Marilyn Lira is looking for larger lap quilts in non-juvenile themes. She has plenty of kid quilts and needs more for recipients who prefer something more "grown-up." She also has quilt tops that need to be quilted and bound.

Note: First Friday has been cancelled for January due to extended Covid-19 restrictions. Make arrangements with Marilyn or plan to drop off community quilts and/or cat/dog cuddles on February 5! Also - could someone with technical expertise please help Marilyn with the monthly quilt slide show?

**Friendship Blocks** - Jeanne Nelson reported that Deana Abramowitz's "X Marks the Spot" blocks have all been turned in - now we have to see what Deana does with them! Blocks are still needed for Karen Bolan (Tumbling Block) and Karen Derrick (Perkiomen Valley). Check the website page to see what's available and to see if you have qualified for your chance to request friendship blocks!

**Show and Tell** - Karen Perlis hosted a slideshow of recently completed quilts from many members - so much inspiration and talent is showcased there! Be sure to send photos of completed projects to Karen at least two days before the monthly business meeting to be included.

**Studio Tour** - Judy Mathiesen gave a video tour of the amazing workroom in her home, sharing tips on materials for design walls and fabric storage. Thank you, Judy! I think we all got some practical ideas from the way you explained your work flow and furniture arrangement.

**Sunshine** - Birthdays of the Month -- Shirley Black posts birthdays in the monthly on-line newsletter. Happy birthday to all the January babies!
