

Moonlight Quilters — Due Nov. 4, 2026

Soul Mate from *Friends Around the Block Quilt Shop, Colusa, CA*

18.5" Unfinished

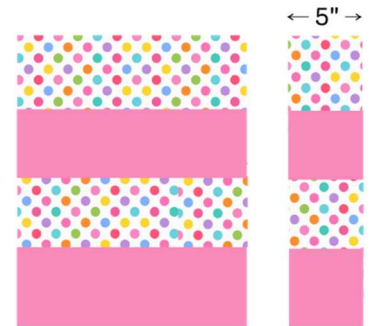

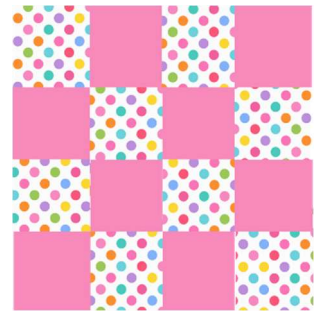

Here's an easy BOM as we approach the holidays.

Pair a polka-dot fabric with a solid.

Polka-dots are evenly spaced dots that are all the same size.

The solid should contrast.

1. Cut each into two 5 x 22" strips.
2. Sew a strip set of four, alternating the two fabrics in the pair.
Press seams toward the darker fabric.
3. Subcut the strip set into four 5" sections.
4. Sew into a block by flipping every other section upside down.
Make sure to nest the seams for perfect points.

The winner can put the blocks together as they are for a modern quilt or cut them apart for a disappearing 16-patch block.
