Place squares according to the illustration here and assemble the nine patch by sewing one HST with the Pale Blue to a blue/white HST, then the other Pale Blue/Blue HST.

The Pale Blue triangles should be on the outside edge.

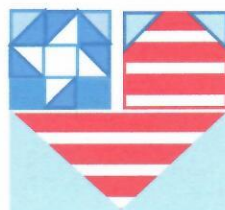

The second row is a Blue/White HST to a 2 ½ inch white square, then another Blue/White HST.

Last row is the 2 ½ blue square to a Blue/White HST, then to the last 2 ½ blue square.

Sew the rows together. This block should measure 6 ½ inches square.

Attach the star block to the smaller strip block with all the Pale Blue pieces at the top.

Attach the larger stripe block to the top half.

The block should measure 12 ½
