

Moonlight Quilters – Due April 2

Grape Basket

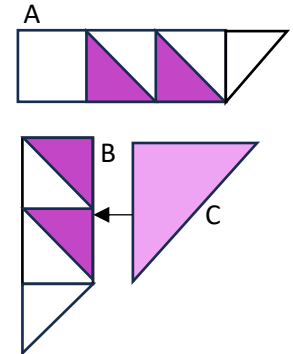

10.5" Unfinished

Fabric required: White (background), Purple (up to 3 purples), and Brown (up to 2)

Qty.	Size	Color
2	3.0 sq.	White
2	3.0 sq.	Purple
1	2.5 sq.	White
1	2.75 sq.	White, CUT DIAGONALLY
1	4.75 sq.	Purple (can be a lighter purple) CUT DIAGONALLY

A. Take the 3.0 white and purple squares, draw a line diagonally on the wrong side of both white squares. Right sides together with the purple and sew on each side of the drawn line. Cut apart on the drawn line. Press and trim to 2.5 inches square Half Square Triangle (HST). Put the 2.5 inch square with one of the new HST with the Purple side to the white square. Attach another HST to the first one with the Purple side to the white side of the HST. The 2.75 triangle is attached to this group at the end short side to the white and angled as shown.

B. Attach the two remaining HST's together dark side to white side as shown. Add the white triangle to the end. Note the orientation is different than in A.

C. Take one of the triangles from the 4.75 sq. purple and sew to section B.

D. The new B/C piece is sewn to the A piece. Press and set aside.

E. The basket, cut the following pieces:

1 5.0 sq. Purple 1 5.0 sq. Brown 1 4.75 sq. Brown

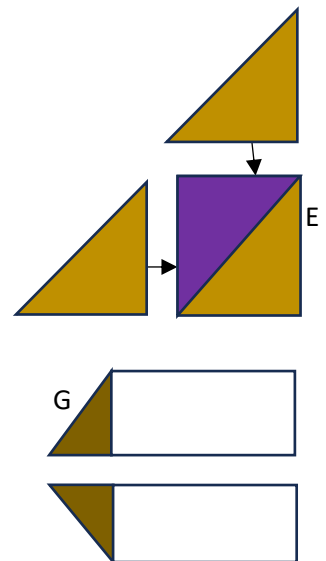

With these cut all three diagonally. Using one of the triangles from the 5.0 purple and 5.0 brown, sew along the long diagonal side. Press and trim to 4.5 inch square. Use both triangles from the 4.75 brown and attach to purple fabric of new HST.

F. Join ABC to E along the diagonal side. This should measure 8.5 inches square. You do not need to trim yet.

G. Sides, cut the following pieces:

2 2.75 x 6.5 White rectangles 1 3.0 sq. Brown (darker) cut diagonally

1 5.0 sq. White, cut diagonally

Sew the brown triangles to the long white rectangles so that they are mirror images. Attach these to the 8.5 square along the long side with the white fabric touching the brown "basket" side.

H. Using only one of the triangles from the 5.0 white square, sew it to the corner of the block. Now, trim the block to 10.5 inches being careful to cut off fabric from white side pieces that were just attached (bottom of the basket).

Note: My printer makes the colors "off".
