

California, the Beautiful Marjan Kluepfel

Create your own California wall quilt. Our landscape is so beautiful and inspiring. Use one of my patterns (choice of Golden Gate Bridge, Big Sur, Yosemite Falls, Golden Hills, Lake Tahoe, Monterey Bay) to make an art quilt that is gallery ready. You will learn many techniques: fused applique, free-motion machine quilting, embellishing with Angelina fiber and textile foil, bobbin drawing, thread painting and how to mount your quilt on stretched canvas for a professional gallery look.
