## President's Message

Success is 10% inspiration and 90% perspiration  
--Thomas Edison

Where do you turn for inspiration? Is it magazines, books of antique and contemporary quilts, speakers, television shows, blogs? We have so many choices. And likely more fabric than we'll use in a lifetime. Yet we continue to pursue our chosen passion. We are driven to create work that are by turns practical, whimsical, challenging, technical and beautiful.

Many teachers recommend working in series so we can deeply explore and master a technique. Others suggest using the same color palette when taking classes so one day all those orphans can be joined together. If only.

I find inspiration and solace in nature. Recently we drove Chileno Valley Road to Marshall to take in the great greenness that abounds in our hills at this time of year. I could imagine myself in the Yorkshire Dales with James Herriot. Surely those colors and contours will find their way into my work. The wild roughness of Bodega Head and the myriad blues of sea and sky spark my imagination.

We have many activities to look forward to this spring. The Petaluma Quilt Guild has tentatively scheduled the Tri-Guild Luncheon for May. In lieu of our Quilt Show we will have a fabric sale, boutique, and raffle. We expect to have the drawing for our Opportunity Quilt at that event. These are opportunities for you to make and renew friendships and to find inspiration. In addition we have some stellar teachers scheduled for future program meetings.

In the months ahead I encourage you to give yourself time to nourish your creative spark.

Linda Lampson,  
MQSC President

# Programs and Workshops

## **March:**

MQSC Members can participate in the Global Quilt Connection All Star Virtual Sampler Platter on March 19<sup>th</sup> and 20<sup>th</sup>, from noon to 3:00 pm each day. This All-Star Cast features 18 quilt teachers demonstrating some of their favorite techniques, showcasing a wide variety of styles and techniques from traditional to modern to art quilting. The videos will be available for 24 hours so if you aren't able to watch live you can catch them on a replay. If you would like the link to participate please send an email to [MQSCPrograms@gmail.com](mailto:MQSCPrograms@gmail.com) as we are unable to send the link out in an eblast or post on the web page. You will also receive a PDF that includes written instructions to go along with each teacher's demonstration. Come when you can, stay as long as you like. Be sure to pass along the names of anyone you would like to see in a future MQSC Program or Workshop.

On March 16th Brenda Gael Smith of Serendipity Patchwork & Quilting will join us via Zoom live from Australia to talk about Quilts & Composition, and to give us a Studio Tour. Our workshop with Brenda will be split into two sessions, the first on Saturday, March 23<sup>rd</sup> "FUNdamentally Circles" from noon – 3:00pm and the second the following Saturday, March 26<sup>th</sup>, "Beyond FUNdamentally Circles". Sign-up is open on the MQSC website programs page.

## **April**

Our Program Meeting in April will be held on Zoom and will feature a presentation by Vicki Conley on "Photographing Art Quilts". Vicki will have several tips to offer to enhance your quilt photographs as well as present a trunk show of her work.

Silly Moon Quilting (Kellie Kazmarek) will be leading a Beginning Ruler Workshop via Zoom on April 23<sup>rd</sup>. Registration closes on March 23<sup>rd</sup> so that we can be sure to get the rulers here on time. The \$60 fee include both rulers used in the workshop. When you register for the class be sure to indicate if you need 1/8" or 1/4" rulers. The workshop is now open to non-members so if you know anyone that would be interested please pass along the information. Non-member price is \$70.

## **May**

Our Program Meeting in May will feature Veruschka Zarate, fresh off her first-place win at Quilt Con 2022! This will also be a Zoom meeting so be sure to watch for your invite as you won't want to miss seeing the fantastic things Veruschka can do with paper piecing!

There will be no Program Workshops in May.

## **June**

The June Program Meeting and Workshop will be in person! Marjan Kluepfel will be here to do a trunk show and showcase quilts, and by straw vote at our February meeting the Saturday Workshop will feature California Landscapes. This is sure to be a fun workshop and will feature all kinds of techniques that may be new to you. The location has yet to be determined, but watch for the eBlast when sign ups are posted on the MQSC Website and get in early to assure your spot!

The membership committee has been busy updating the roster with those members that have either forgotten to pay their dues for this year or have decided to retire from the guild. An email went out to all our "inactive" members with information about how to contact us. If you received an email from us and believe that your membership status is in error, please contact us so we can correct our records.

If you are ready to make some new quilting friends, we would like to hear from you! Please drop a note to [MQSCMembership@gmail.com](mailto:MQSCMembership@gmail.com) and tell us your thoughts. Would you want to learn more about a particular kind or style of quilt making? Meet with folks who live near you? Meet over Zoom? Be challenged artistically? Collaborate on a quilt for a cause? Forming a mini-group could be the answer! Please share your thoughts, and Membership will work to make a group tailored to your interests happen.

As always current rosters are available by sending the membership committee an email.

If you have ideas that you would like us to investigate in increasing our membership, please send us an email.

## Quilter of The Month Selma "Teach" Guerrini

I have always done art work! I started out with a coloring book page as a toddler, where I used every crayon in the crayon box, so color has always been one of my favorite things!

I grew up making garments, but as soon as I saw an Art Quilt, that was really all I wanted to do! I use photos ( a lot of them taken by my husband Peter), and turn them into Art Quilts. I've entered quite a few of them into the Pacific International Quilt Show over the years.

I'm also a Science person, so a lot of my pieces are based on scientific principles. I have done lots of animals, birds, butterflies and scientific related subjects like Astronomy. For example I went through what my husband called my Space Cadet Stage and I've loved every minute of it!

## Finding Peace in the Pieces

Bring cash, checks, credit cards, and your camera to the March 2nd business meeting where our beautiful Opportunity Quilt will be on display for you to take close up pictures of the minuscule pieces in the many tiny blocks. You can then show the pictures to your friends and it will be easy to resell the raffle tickets you purchased. Or put their names on the tickets you buy - what an awesome gift! Your support of the guild by purchasing a packet of 30 tickets for \$25 is very much appreciated.

The drawing will be held at the Fabric Sale & Boutique on June 5, 2022

## Cat and Dog Cuddles

We are looking forward to meeting in person, so that we can start collecting cat and dog cuddles again. If you have some and cannot make it to the meetings, please email us at [mqsccatdogcuddles@gmail.com](mailto:mqsccatdogcuddles@gmail.com) and we can arrange a pick up at Village Sewing or some other location.

We are still looking for non-profits who are interested in our dog cuddles. If you know of a place, please contact them and see if they really are interested, then let us know at [mqsccatdogcuddles@gmail.com](mailto:mqsccatdogcuddles@gmail.com). A contact person at the organization would be very helpful.

The recommended size for cat cuddles is 17" x 25". Dog cuddles should be dog-sized.

Thanks for your support of this project.

Put your name on a ticket for each fat quarter you brought (2 for a 1/2 yard) and put the ticket(s) in the can, and you can win all the fabric collected!

**Moonlight Quilters of Sonoma County**  
**Special Board Meeting by Zoom**  
**Wednesday, February 2, 2022**

**Members present:** Linda Lampson, Kathy Vedder, Teresa Lewis, Miriam Marlin, Carol Simkins, Denise Ragozzino, Jeanne Nelson, Dena Harding, Gina Statler-Calhoun, Trina Jahnsen

The meeting was called to order by President Linda Lampson at 6:00 p.m. A quorum was declared.

The purpose of this special meeting was to determine if the annual Quilt Show as normally presented was financially and otherwise feasible. Quilt Show Committee Chair Trina Jahnsen had presented her concerns by email earlier to the board and had requested guidance, based on information she had gathered by speaking with vendors and organizers of other quilt shows held regionally.

Her concerns:

- 1) Getting enough volunteers
- 2) At both PIQF and Road to California, attendance was about 33-50% of normal, even with fewer Covid-19 restrictions than we have in place in Sonoma County.
- 3) We can expect half the vendors that we normally count on
- 4) We can expect half the boutique income
- 5) There will be no kitchen, no way to feed volunteers or have a resting/breakroom space for vendors and volunteers
- 6) The Guild could lose about \$9,000 under this scenario

Dene Harding noted that in 2019 the volunteer count for the Quilt Show was 189 JUST for the quilt display and vendor areas, equaling 686 hours of volunteer time at the show. In addition, this year we would need additional volunteers to monitor for masks and vaccine compliance.

Alternative – Cancel Quilt Show and offer a Boutique/Fabric Sale/Raffle Basket event. It could be held as a one-day event in the first weekend of June and would include the drawing for the Opportunity Quilt.

Based on this information, Dena Harding moved that MQSC cancel the 2022 Quilt Show as originally planned. Trina seconded the motion and it was passed unanimously.

Following up on this decision, Gina Statler-Calhoun moved that we form committee to plan an alternate event that would be a fundraiser for the guild. Trina seconded that motion and it was unanimously approved.

As a result, Trina will work with Stephanie at the Vets' Memorial Building to change the schedule; vendors and others will be notified of the change in plans. Gina will organize a committee to plan the alternate fundraising event. President Lampson will call for volunteers at the business meeting to be held in a few minutes.

The meeting adjourned at 6:35 p.m.

February 3, 2022  
Minutes of the MQSC Business Meeting  
Via Zoom

**President Linda Lampson called the meeting to order at 7:01 p.m.**

**President's announcements – Volunteer opportunities**

- The Board decided we will not hold our quilt show this year, instead we will do a fabric sale and Boutique with raffle baskets
  - Marilyn Lyra volunteered to help with the activity
  - Linda Morand is able to donate a lot of fabric. She will need some assistance moving the fabric from her house; Trina Jahnsen is able to assist with this.
  - The Opportunity quilt raffle will be held on the day sale.
- It was noted that the weekend of the quilt show is the same weekend as the hot air balloon show and we may want to consider that because it could bring in more foot traffic.
- Volunteer Opportunities available:
  - 1) Opportunity Quilt marketing for 2022-2023 quilt,
  - 2) AV coordinator for Zoom Hybrid meetings.
  - 3) Selling Opportunity Quilt tickets at Cloverdale Citrus Fair
